**NJASAP CONGRATULATES LOBIONDO ON SUBCOMMITTEE APPOINTMENT**

*Association anticipates decisive leadership that enhances industry*

(COLUMBUS) – The NetJets Association of Shared Aircraft Pilots Union (NJASAP) is pleased to congratulate Congressman Frank LoBiondo on his selection to serve as House Aviation Subcommittee Chairman. His many years of service on the Transportation Committee has given Congressman LoBiondo a thorough understanding of the needs of the U.S. aviation system. “The Congressman’s strong background in aviation and labor policy as well as his understanding of the unique nature of fractional private jet ownership makes him the ideal selection for leading the congressional dialogue on aviation,” NJASAP Vice President of Industry Affairs Capt. Coley George said. “My NJASAP colleagues and I look forward to working with Chairman LoBiondo in the 113th Congress.”

**About NJASAP** Founded in 2008 as an independent labor affiliate, the NetJets Association of Shared Aircraft Pilots (NJASAP) is responsible for representing the professional interests of the 2,250-plus pilots who fly in the service of NetJets Aviation, Inc. The Association, which is based in Columbus, Ohio and is governed by a nine-member Executive Board, maintains an 18-member Stewards Council, employs seven professional staff members, and supports a network of more than 150 volunteers who manage more than 20 committees.
